

Douglas County Lakes Association

March 8, 2017

Public Works Building

Meeting was called to order at 1630 hours by President Jan Beliveau this date. Due to lack of a quorum no formal business was conducted. Items tabled until the April, 2017 meeting.

Justin Swart, DC AIS/Shoreland Tech. provided an update on the 2017 application for additional watercraft inspection hours, registration is open for the AIS Detectors/Trackers training, and the statewide search for AIS Starry Stonewort.

Guest speaker was Tara Ostendorf, Board Conservationist from BWSR. She explained the overall concept of One Watershed - One Plan approach and ideas to assist us.

Recorded by President Jan Beliveau
